BEARS HONOR

VIRGINIA HALAS MCCASKEY

WITH JERSEY PATCH

The first time Bears chairman George H. McCaskey saw the initials of his mother, Virginia Halas McCaskey, stitched on the Bears' iconic navy jersey is a moment that still evokes emotion.

"I was down at the equipment department, one of my favorite places in the building, and [director of equipment] Tony [Medlin] called me over," McCaskey said. "They had just started putting the patches on the jerseys, and they showed me one of them."

"I knew when I saw it, that he had done right by her."

To pay tribute to the beloved matriarch, who passed away Feb. 2 at the age of 102, the Bears – starting with next Sunday's preseason opener against the Dolphins at Soldier Field – will sport a stitched football-shaped patch featuring Mrs. McCaskey's initials on their jerseys. It's a near-identical design to the patch the Bears wore during the 1983 season after founder, owner and Hall of Fame coach and player George Halas passed away Oct. 31 of that year.

"We thought it would be appropriate if her patch mirrored her dad's from 1983," McCaskey said. "So it's the same size, the same color combination. The only thing that's different, of course, is the initials. We thought that was the right thing to do."

The patch – an orange football with navy lettering and a white outline around the middle "M" for McCaskey – will be stitched on the upper left side of each jersey, just above the players' hearts.

While the design of the patch had been in the works for months, the Bears equipment team, led by Medlin, didn't begin the stitching process until recently. Medlin, who George described as a "ninth son" to Mrs. McCaskey, has been with the Bears since 1987 and has developed close relationships with the entire McCaskey family. Having a hand in honoring Mrs. McCaskey throughout the 2025 season is something the longtime director of equipment is extremely grateful to take part in.

"Any person associated with football should appreciate what Mrs. McCaskey and her family have meant to the game for over 100 years," Medlin said. "To see how far the NFL has come throughout her lifetime is remarkable, and we are honored to be able to recognize her on our uniforms."

"Every stitch in this patch threads together this historic franchise, from George Halas to Virginia Halas McCaskey, and we are humbled to honor her this season."

Mrs. McCaskey was publicly known as the Bears' principal owner, the only daughter of George Halas and an NFL trailblazer, who witnessed more pro football history than any individual in the world. Behind the scenes, Mrs. McCaskey also flourished in her role as a mother of 11 as well as grandmother, great-grandmother and great-great-grandmother of 65.

For Mrs. McCaskey's family, who saw her in those matriarchal roles behind the scenes, seeing her initials stitched onto the iconic Bears jersey is a feeling like no other.

"I think she would want to be quietly grateful," Patrick McCaskey, her fourth-born child, said. "That was her way. So that's how I am about it – I'm quietly grateful."

Patrick also recognized the "wonderful" work conducted by the Bears' brand creative team, led by vice president John Conroy, in creating and perfecting the design.

"Thank you very much to the creative team that put it together," he said. "They did very well. They're Hall of Famers."

Patrick and his younger brother, Brian, both joked that their mother likely wouldn't love the idea of her initials being front and center, due to her preference to stay out of the spotlight. However, the McCaskey brothers are joyed to see their mother honored in such a powerful way.

"George showed me what he wanted to do back in the spring," Brian said. "Obviously the patch is very similar to the one we used in 1983 to honor my grandfather, George Halas. So it's a little sobering to see yet another reminder we lost my mom this past year, but it's great to see her memory kept alive. I think it's a fitting way to honor her."

While the Bears will don the patches all season long, Brian believes seeing them during the season opener Sept. 8 against the Vikings will feel a little different. With that weekend also being the Bears' annual alumni homecoming, Brian expects the entire weekend to feel "bittersweet."

"When we gather for the alumni weekend, that event with the dinner the night before the game will be a little tough because we always acknowledge those who have passed away," Brian said. "It'll be a bittersweet evening as we gather with former players and their families. That was the one party my mom really looked forward to every year. She always remembered everyone's names and people would line up to talk to her or take a picture with her. That was when I saw my mom in the spotlight at her very best. That's when she shined the brightest."

The Bears will also honor Mrs. McCaskey by only wearing their navy jerseys, white pants and navy helmet for home games and white jerseys, navy pants and navy helmets for road games. The Bears will not wear alternate or throwback jerseys during the 2025 season.

ON THIS DATE IN BEARS HISTORY

AUGUST 17 HIGHLIGHTS

On this day in Bears' history, August 17, 1997, my grandfather was put on stamps. The ceremony took place in Aurora, Illinois. My brother Tim had campaigned to put "Gramps on Stamps."

When Gramps was coaching at Wrigley Field, my brothers and I sat on an army blanket next to the Bears' bench. He once said to an official, "No man is completely worthless. You can always serve as a horrible example."

My last class at Indiana University was Thursday, June 20, 1974. I started working for the Bears the following Monday.

One morning at the office, I was telling my uncle Mugs and my father that I had had speaking engagements the last three nights in a row. My

grandfather happened to be walking by and overheard the conversation. He asked, "Where are you speaking tonight?" I replied, "I don't have a speaking engagement tonight."

He said, "That's too bad."

Frequently we ate dinner together after work. When a Bears' fan would stop by our table to ask for an autograph, he would always comply. He loved the Bears, and he appreciated any sign that a fan did too.

For family dinners, I often drove him out to my parents' home. He asked me about my girlfriends, and I asked him about his. We had no conflicts because he "never dated anyone under 48."

During one drive back to his apartment, he was silent for a long time, and he seemed to be very angry. Finally, he said, "When you have bread at dinner, cut the bread in half and then butter it. Don't butter the whole piece."

Once he had spoken his mind about anything—football or etiquette—the issue was forgotten as far as he was concerned. He lived to be 88 years old, and he often said, "Life is too short for grudges."

One day he called me into his office. He said, "Get a master's degree."

I asked, "Will you pay for it?"

He replied, "Yes." It was a very short meeting.

The Bears were at 55 East Jackson in Chicago. DePaul University was at 25 East Jackson in Chicago. I went at night during the off seasons. I got a master's degree in the interdisciplinary studies of business, writing, and public speaking.

On February 20, 1977, he signed a framed lithograph of himself with this note: "Pat- Long ago I determined that work exceeds talent. Work every day by writing every day. Make me even more proud than I am of you. Love, George."

The last five years of his life, his grandchildren took him out to dinner on his birthday. On February 2, 1983, his 88th birthday, we should have known that something was amiss because he told us that he did not swear anymore. He also said, "May the good Lord grant all of you as long and as wonderful a life as I have had."

He died while I was on the way to Los Angeles to advance the Bears' game with the Rams. I decided to proceed with the Bears' work the way Grandpa would have wanted. I worked the Rams' press breakfast the next morning and then flew to Chicago for the wake and the funeral.

The wake was a celebration of an extraordinarily rich and full life. At the funeral, my brothers and I were pallbearers. I read from Lamentations and the Psalms to the congregation. My brother George read from Paul's letter to Timothy.

In his homily, Father Banet, the president of Saint Joseph's College, described George Halas as "a man of faith and a man of prayer." And he was. Grandpa was always pushing himself, his team, and those he loved to strive to be the best they could be.

On August 17, 2024, the Bears played the Cincinnati Bengals at Soldier Field in Chicago in a preseason game.

In the second quarter, Cairo Santos kicked a 37-yard field goal Caleb Williams had a 7-yard touchdown run. Santos kicked the extra point. In the third quarter, Tyson Bagent threw a 4-yard touchdown pass to Dante Pettis. Santos kicked the extra point. Bagent threw a 25-yard touchdown pass to Pettis. Santos kicked the extra point.

In the fourth quarter, Santos kicked a 51-yard field goal.

The Bears won 27-3.

TOP ROW: Jerry Vainisi, Ed Hughes, Johnny Roland, Jim Dooley, Ted Plumb, Dick Stanfel, Mike Ditka, Jim LaRue, Dale Haupt, Buddy Ryan, Steve Kazor, Brian McCaskey, Clyde Emrich, Bill Tobin, Michael McCaskey

I: Guard Tom Thayer played in 37 regular-season and postseason pro football games in a 12-month span, joining the Bears in June 1985 after spending the spring playing in the USFL with the Arizona Outlaws. After Arizona's last game, Thayer drove from Phoenix to Platteville, Wis., to begin training camp with the Bears.

II: The Bears spent three days during the first of two weeks between the NFC Championship Game and Super Bowl practicing indoors at the University of Illinois in Champaign.

III: The Bears taped "The Super Bowl Shuffle" at the Park West in Chicago on Tuesday, Dec. 3, hours after landing in Chicago following their only loss of the season, a 38-24 defeat on Monday Night Football in Miami. Walter Payton and Jim McMahon taped their portions later via a green screen in a racquetball court at Halas Hall. "The Super Bowl Shuffle" sold more than half a million copies and was nominated for a Grammy Award.

IV: The Bears opened the season 12-0, but they were nearly 0-1. They trailed the Buccaneers 28-17 at halftime of their season opener at Soldier Field before rallying for a 38-28 victory. Early in the second half, Leslie Frazier intercepted a pass that was deflected by Richard Dent and returned it 29 yards for a touchdown to fuel the comeback.

V: After William Perry rushed for two touchdowns and caught a TD pass during the regular season, the Bears gave the Fridge a chance to throw a touchdown pass in the Super Bowl. On second-and-goal from the 5 late in the first quarter, Perry took a handoff from Jim

McMahon and rolled to his right. But seeing that tight end Emery Moorehead was well covered in the end zone, Perry wisely pulled down the ball and was tackled for a one-yard loss.

VI: Running back Tony Collins led the Patriots in rushing in Super Bowl XX with four yards on three carries. The Bears held New England to seven yards on the ground, a Super Bowl record that still stands.

VII: Tony Eason became the first starting quarterback in Super Bowl history who didn't complete a pass. He was replaced by veteran Steve Grogan after going 0-of-6 with three sacks.

VIII: The '85 Bears sent a franchise-record nine players to the Pro Bowl in Jimbo Covert, Richard Dent, Dave Duerson, Dan Hampton, Jay Hilgenberg, Jim McMahon, Walter Payton, Mike Singletary and Otis Wilson. Because they flew directly from New Orleans to Hawaii, the Bears' Pro Bowlers were unable to participate in the team's championship parade in Chicago.

IX: Three members of the 1985 Bears defense became NFL head coaches: Linebackers Ron Rivera and Mike Singletary and cornerback Leslie Frazier. The total increases to four if you count Jeff Fisher, who spent the '85 season as a pseudo assistant under defensive coordinator Buddy Ryan while on injured reserve.

X: In Super Bowl XX, the Patriots gained positive yards on only one of their first 16 plays, a 3-yard run by Craig James. The 15 plays that failed to produce positive yards consisted of three sacks, seven incomplete passes and five runs for zero or negative yards.

XI: Four members of the 1985 Bears later played for the arch rival Green Bay Packers: Quarterbacks Jim McMahon (1995-96) and Mike Tomczak (1991), defensive tackle Steve McMichael (1994) and linebacker Jim Morrissey (1993). McMahon won a Super Bowl ring with Green Bay in 1996 as Brett Favre's backup but wore his Bears jersey to the White House when the Packers were honored by President Bill Clinton.

XII: Seven starters on the 1985 Super Bowl championship team were selected by the Bears in the 1983 NFL Draft: Tackle Jimbo Covert and receiver Willie Gault in the first round, cornerback Mike Richardson in the second, safety Dave Duerson in the third, guard Tom Thayer in the fourth, and defensive end Richard Dent and guard Mark Bortz in the eighth.

XIII: The Patriots took the quickest lead in Super Bowl history on Tony Franklin's 36-yard field goal with just 1:19 elapsed. The kick came after New England had recovered a Walter Payton fumble on the second play of the game. Ironically, the Bears broke the record 21 years later when Devin Hester returned the opening kickoff of Super Bowl XLI for a touchdown.

XIV: Coordinator Buddy Ryan named his famous "46" defense after the jersey number worn by hard-hitting safety Doug Plank. But Plank's eight-year career with the Bears ended in 1982 and no member of the 1985 championship team wore No. 46.

XV: Cornerback Leslie Frazier was just entering his prime in 1985, when the 26-year-old led the Bears with six interceptions. But Super Bowl XX would be the last game of Frazier's career; he blew out his left knee after taking a handoff from Keith Ortego on a punt return late in the second quarter. As defensive backs coach with the Colts in 2006, Frazier won a second ring when Indianapolis defeated the Bears in Super Bowl XLI.

XVI: During a media session a few days before the Super Bowl, William Perry told reporters that he had declined an offer to star in a movie with singer Cyndi Lauper. The script called for Lauper to play a wrestler and the Fridge to be her bodyguard.

XVII: While the Patriots had a nightly curfew in New Orleans, Bears players didn't have to be in their hotel rooms by a certain time until the night before the Super Bowl. "We intend to party a bit," defensive lineman Dan Hampton said upon arriving in town. "That's part of the reward of getting here. We're going to come down here, have fun and try to win a football game."

XVIII: Bears defensive coordinator Buddy Ryan had already won a Super Bowl ring 16 years earlier as defensive line coach with the New York Jets, who shocked the heavily-favored Baltimore Colts behind brash quarterback "Broadway" Joe Namath in Super Bowl III.

XIX: The '85 Bears were so popular that the team's offensive line and key reserves had their own posters entitled "The Black and Blues Brothers" and "Second to None," respectively.

XX: Determined to get into the game, Bears third-string quarterback Mike Tomczak convinced coaches to let him cover a kickoff late in the contest—and he promptly drew a 15-yard facemask penalty.

Kevin Warren was named President and Chief Executive Officer of the Chicago Bears on January 12, 2023, and formally assumed the role on April 17, 2023. In his role, Warren is responsible for all business operations and football operations, while also overseeing the team's transformative stadium development project.

Warren is the first Black President and CEO in club history and the first President and CEO hired from outside the organization. Warren succeeded Ted Phillips, who served in the same capacity since February 10, 1999, becoming just the fifth President in Bears history, following George S. Halas, George "Mugs" Halas, Jr., Michael McCaskey and Phillips.

Warren was honored at the 2025 NFL Women's Forum with the second-annual Buddy Teevens Forward Progress Award, presented to an individual who champions and advocates for the inclusion of women in football. NFL Women's Forum founder Sam Rapoport lauded Warren's progression and advancements, including assembling "one of the most diverse leadership teams in sports" since joining the Bears in 2023.

A veteran executive of 24 years in the NFL, Warren joined the Bears in 2023 after spending nearly four years as Commissioner of the Big Ten Conference. Warren served as the sixth commissioner in the 127-year history of the conference. He was the first Black leader to serve as commissioner of any Power Five conference. In his time with the Big Ten, Warren guided the conference to an expansion to 16 schools beginning in 2024, adding the University of Southern California and the University of California Los Angeles, as well as leading the negotiation of an unprecedented media rights deal that will generate over \$7 billion during a seven-year period, and generates \$1 billion annually. Warren also substantially increased the talent of color represented in Big Ten Conference office staff, introduced the first basketball media day

that featured both men's and women's teams and players equally, created the Big Ten Equality Coalition, a nonpartisan group representing all 14 member institutions committed to combat racism, and developed a mental health and wellness cabinet.

Prior to his nearly four years at the Big Ten Conference, Warren served as the Chief Operating Officer of the Minnesota Vikings (2015-19), one of the most influential, progressive, and profitable periods in the organization's history. As COO of the Vikings, Warren oversaw all aspects of the business operations of the franchise. Warren, who spent a decade-and-a-half in Minnesota, joined the organization in 2005, and throughout his tenure, served in a variety of senior leadership capacities for the club.

While in Minnesota, Warren played a critical role in all business, financial, legal and operational aspects related to U.S. Bank Stadium and was involved in the design, construction, business, legal and operational components of the stadium which hosted Super Bowl LII. He also played a key role in the design, development and planning of Twin Cities Orthopedics Performance Center, the Vikings Headquarters in Eagan, Minnesota. In addition to the ancillary real estate development of Viking Lakes. Under Warren's leadership, the Vikings restructured the organization with an emphasis on promoting women to key executive positions.

Prior to working for the Vikings, he represented the Vikings' current ownership group, led by the Wilf Family, in their purchase of the team in 2005. In September of 2013, Warren was named a member of the NFL Committee on Workplace Diversity. Since joining the Bears in 2023, Warren has served as a member of the NFL's Diversity Committee.

Prior to his tenure with Minnesota, Warren served as Vice President of Player Programs & Football Legal Counsel for the St. Louis Rams from 1997-99, contributing to a franchise that secured a World Championship with a victory in Super Bowl XXXIV. Additionally, Warren held the roles of Vice President of Football Administration with the Rams (2000) and Senior Vice President of Business Operations & General Counsel for the Detroit Lions (2001-03).

For undergraduate studies, Warren attended the University of Pennsylvania in Philadelphia, playing basketball for the Quakers' 1981-82 Ivy League Championship team, before earning his undergraduate degree in Business Administration from Grand Canyon University in 1986, where he was a member of the basketball team. Ryan Poles enters his fourth season with the Bears in 2025 after being named the club's seventh general manager in franchise history on Jan. 25, 2022.

Upon his hire, Poles embarked on an in-depth, comprehensive process to restructure the club's roster and develop all areas surrounding organizational culture and the football operation of the Chicago Bears. Poles was instrumental in striking a deal with the Carolina Panthers in advance of the 2023 NFL Draft, leading to a flurry of enhancements to the Bears' roster over the next two seasons. By acquiring Carolina's first-round pick, the Bears utilized the No. 1-overall selection of the 2024 NFL Draft to select quarterback Caleb Williams. Capitalizing on remaining draft capital, the Bears then selected wide receiver Rome Odunze with the ninth-overall selection, rounding out the first round of the 2024 NFL Draft with two top-10 selections. In the deal with Carolina, the Bears also acquired wide receiver DJ Moore, who has led the Bears in receiving yards during each of his two seasons in Chicago. Ahead of 2025, working with Head Coach Ben Johnson, Poles and his staff have continued to develop the roster via draft, free agency and trades.

During the 2024 season, rookie quarterback Williams set franchise rookie records across all major statistical passing categories. Williams' season included a string of 353 consecutive pass attempts without an interception, good for not only an NFL rookie record, but the fourth-longest single-season streak in NFL history. Fellow first-round rookie, Odunze, finished the season with the fourth-most receptions (61) and receiving yards (734) by a rookie in franchise history. While punter Tory Taylor, another member of the Bears 2024 draft class, set single-season franchise records in both gross (47.7) and net (41.6) punting average. On the defensive side of the ball, the Bears allowed touchdowns on just 46 percent of

opponents redzone drives, the second-best rate in the NFL, while finishing top 10 in the NFL with 24 takeaways.

Poles comprised a roster in 2023 that helped lead Chicago with the league's top-ranked rush defense (86.4 yards per game) and finish the season with the No. 2 rushing offense in the NFL (141.1 yards per game). Defensively, the Bears ranked second in the league in fewest rushing touchdowns allowed (eight), putting forth a five-game span (Weeks 7-12) that the unit did not allow a single rushing touchdown. Conversely, Chicago's offense totaled the second-most first downs in the league (86). The Bears' four-win improvement from the 2022 season marked the largest year-over-year win improvement in over half a decade.

Poles and his staff oversaw a transition as the club went from from one of the oldest rosters in the NFL at the end of the 2021 season, to one of the youngest teams in the league. Holding the No. 1 pick entering the 2023 Draft, Poles struck a deal with the Carolina Panthers on March 15, which brought in wide receiver DJ Moore in addition to the No. 9-overall selection and the 61st-overall pick in 2023, as well as a 2024 first-round selection and a 2025 second-round pick. The roster additions continued in free agency as Poles and his staff acquired veteran contributors along the defensive front and among the linebacker corps to support the eventual top-ranked defense. The Bears completed their most notable in-season move ahead of the trade deadline in Week 9, acquiring defensive lineman Montez Sweat from the Washington Commanders via trade in exchange for a 2024 second-round pick.

With one of the youngest on-field rosters in 2022, the Bears posted a league-high 6,721 snaps from first-year players. Offensively, the club finished the 2022 season by setting a team rushing record with a league-best 3,019 rushing yards. Defensively, with the youngest on-field defense in the NFL, the club finished the season ranked among the top-10 in several categories: completions allowed (323, 6th), interception percentage (2.9 pct, 8th), interception yards (201, 9th) and fourth down conversions (six, 1st) to name a few. Chicago opened the 2022 season with several new pieces on the roster following a mix of trades, free agent signings and waiver claims. The Bears Week 1 roster featured 11 rookie debuts, the most by any team in the NFL in the 2022 season. The club's 2023 draft class also featured a large group with 10 total selections. The 2022-23 Bears draft classes were the first time since the start of the modern seven-round draft era that the Bears had consecutive classes with 10+ picks.

Prior to his arrival in Chicago, Poles spent 13 years within the front office of the Kansas City Chiefs, helping Kansas City comprise rosters that led to two Super Bowl appearances and a World Championship with a victory over the San Francisco 49ers in Super Bowl LIV. In his 13th and final season with the Chiefs in 2021, Poles was named the club's Executive Director of Player Personnel. Initially joining the Chiefs in 2009 as a Player Personnel Assistant, Poles demonstrated his development and ascension through the ranks with Kansas City through holding the roles of College Scouting Administrator (2010-12), College Scouting Coordinator (2013-16), Director of College Scouting (2017), Assistant Director of Player Personnel (2018-20), ultimately leading to serving as the Executive Director of Player Personnel in 2021, helping the Chiefs win their second-straight AFC Championship.

During his 13 years in Kansas City, the Chiefs captured seven AFC West division championships, as Poles oversaw all aspects of the college scouting across the country for the Chiefs while assisting with the pro personnel process and preparing for free agency. He also assisted General Manager Brett Veach with the coordination of the NFL Draft and overseeing the team's out-of-town area scouts. Poles was instrumental in helping the Chiefs land top draft prospects such as quarterback Patrick Mahomes and tight end Travis Kelce, who have gone on to receive multiple All-Pro recognitions. In 2021, the Chiefs tied for second in the NFL with six Pro Bowl selections in Mahomes, Kelce, wide receiver Tyreek Hill, offensive tackle Orlando Brown, defensive tackle Chris Jones and safety Tyrann Mathieu and tied for first in the NFL with seven selections in 2020. In total, from 2009-21, the Chiefs had 69 Pro Bowl selections with 28 different players.

Prior to joining the Chiefs, Poles served as a Recruiting Assistant at his alma mater, Boston College (2008-09). Upon culmination of his collegiate career, Poles signed with the Chicago Bears as an undrafted free agent in 2008.

The Canandaigua, N.Y., native played offensive tackle for five seasons for Boston College (2003-07), protecting former NFL quarterback Matt Ryan and playing alongside Bears Co-Director of Player Personnel Trey Kozio. Poles was honored with the Paul Cavanaugh Award in 2007 as the student-athlete with total commitment to football both on and off the field and for his dedication to volunteerism, ethics and community. He played his prep football at Canandaigua Academy in Canandaigua, N.Y.

Poles also was named to two "40 Under 40" lists in the past five years: Ingram's Magazine in 2019 and by The Athletic in 2021. He graduated from Boston College in 2007 with a degree in communications. He and his wife, Katie, have two children: Mason and Jordyn.

Ben Johnson was named Head Coach of the Chicago Bears on January 21, 2025. Johnson became the 18th full-time Head Coach in the franchise's 106-year history, arriving in Chicago after leading one of the NFL's most prolific offenses with the Detroit Lions.

Johnson most recently served as Offensive Coordinator (2022-24) in Detroit, where his 2024 unit averaged a franchise-record 409.5 yards per game, helping the Lions average a league-high 32.4 points per game and accumulate 68 total offensive touchdowns – the most by any team in the NFL. Each of his three seasons coordinating Detroit's offense (2022-24), Johnson's group has finished in the top-five in the league in total offense each year, including a No. 2 ranking in 2024. Over the last two seasons (2023-24), no unit has averaged more points per game (30.1) or net yards per game (402.2) than Johnson's offensive unit with the Detroit Lions.

Following his promotion to Offensive Coordinator in 2022, Johnson helped the Lions secure eight wins out of their last 10 matchups to close out the year. One season later (2023), Johnson's group finished No. 3 in the NFL in total offense (394.8) and No. 2 in passing offense (258.9), finishing the season in the NFC Championship Game and as a finalist for AP NFL Assistant Coach of the Year. With the aid of Johnson's leadership of the offense, Detroit accumulated a franchise-record 15 regular-season wins in 2024, ranking No. 2 in the NFL in both total offense (409.5) and passing offense (263.3), while owning the third-best red-zone touchdown percentage (69.4 pct.) and fourth-best third-down conversion rate (47.6) in the league. Johnson

spent six total seasons with the Lions, starting in 2019 in an Offensive Quality Control capacity, before being elevated to Tight Ends Coach in 2020, holding that role for two seasons. In his first seasons coaching the tight ends, Johnson's tutelage helped second-year TE T.J. Hockenson earn his first-career Pro Bowl selection after ranking top-five in the league in receiving yards (third), receiving first downs (third) and receptions (fourth) among tight ends.

Prior to Detroit, Johnson served seven seasons on the staff of the Miami Dolphins, working under three different head coaches. Over his seven years in Miami, Johnson worked in the capacities of Offensive Assistant (2012), Assistant Quarterbacks Coach (2013-15), Tight Ends Coach (2015), Assistant Wide Receivers Coach (2016-17) and Wide Receivers Coach (2018).

Working with the Dolphins wide receivers, Johnson aided a group that featured Pro Bowl WR Jarvis Landry who set a franchise-record with an NFL-best 112 receptions in 2017, one season after helping Miami secure 10 wins and reach the postseason. As Wide Receivers Coach in 2018, Johnson helped guide WR Albert Wilson to accumulate an average of 12.9 yards after catch, the second-highest rate among all NFL players.

Prior to his time with the wide receivers, Johnson served as Assistant Quarterbacks Coach (2013-15), before being promoted to Tight Ends Coach following staff realignment in 2015. In 2014, QB Ryan Tannehill became just the second Dolphins passer to throw for 4,000 yards in a single season. Starting with the Dolphins as an Offensive Assistant in 2012, Johnson aided a unit that ranked fourth in the AFC in rushing touchdowns (15).

Johnson entered the coaching ranks as a Graduate Assistant at Boston College (2009-10), spending three years in Chestnut Hill, including the 2011 season as Tight Ends Coach.

A native of Asheville, N.C., Johnson was a walk-on quarterback at the University of North Carolina, earning degrees in mathematics and computer science. Johnson and his wife, Jessica, have three children – Emory, Kennedy and Halle.

In memory of Brian Piccolo, each season since 1970 a Bears rookie has been honored with the Brian Piccolo Award. In 1992, the award was expanded to include a veteran as well. The Piccolo Award is a special honor voted on by Bears players only, who select a teammate they feel best exemplifies the courage, loyalty, teamwork, dedication and sense of humor of the late Brian Piccolo.

Brian Piccolo signed with the Bears as a free agent out of Wake Forest in 1965 - the same year Hall of Famer Gale Sayers was drafted. The two became roommates, and Piccolo's support of Sayers through a devastating knee injury, as well as Sayers' devotion when Piccolo was stricken with cancer in 1969, became the stuff of legend. Piccolo was in his fourth season when a chest x-ray revealed a malignancy. Several months later on June 16, 1970, he died at age 26 from embryonal cell carcinoma.

Following his death, the Brian Piccolo Cancer Research Fund was established and proceeds were sent to the Sloan-Kettering Cancer Center in New York for research on embryonal cell carcinoma. At the time Piccolo died, the disease was 100% fatal, but today the cure rate is more than 95%.

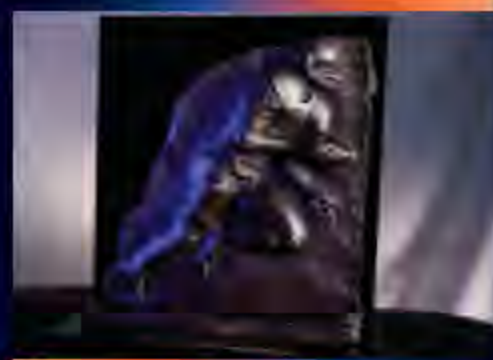

With that victory, proceeds from the Brian Piccolo Cancer Research Fund now benefits breast cancer research at Rush Medical Center and provides support to the Clearbrook Center for the developmentally disabled in Arlington Heights.

Since turning its attention to the fight against breast cancer, the Brian Piccolo Cancer Research Fund, as well as all those who have generously joined in its efforts, has raised over \$10 million for research since 1991. The fund remains active and welcomes the interest of contributions of others who share its commitment to breast cancer research and to the memory of Brian Piccolo.

THE BRIAN PICCOLO CANCER RESEARCH FUND

2024 Piccolo Award recipients T.J. Edwards and Rome Odunze alongside Head Coach Ben Johnson

Running back Brian Piccolo played for the Chicago Bears for only four seasons, and his statistics weren't particularly remarkable. But the fact that Piccolo's number (41) is one of the few retired in the Bears' long history is testimony to the values he brought to the game.

Brian Piccolo died of cancer on June 16, 1970, at age 26. He left behind his wife, Joy, and daughters Lori, Traci, and Kristi. To us, he left a story of love, recounted in the film *Brian's Song* and in the best-selling biography *Brian Piccolo, A Short Season*.

Piccolo was born in Pittsfield, Mass., on Oct. 31, 1943. He grew up in Ft. Lauderdale, Fla., where his football performance led to a scholarship at Wake Forest University. During his senior year there, Piccolo led the nation in rushing yardage. He carried the ball 252 times for more than 1,000 yards and scored 111 points on 17 touchdowns and nine conversions.

Though somewhat small and slow by National Football League standards, Piccolo was a "money" player. "I might not get you 100 yards in one play," he would say, "but I'll get you 10 when you need it." Passed up in the NFL draft by the league's stat worshippers, Piccolo signed with the Chicago Bears as a free agent in 1965 – the same year all-time great Gale Sayers was drafted. The two became roommates, and Piccolo's support of Sayers through a devastating knee injury, as well as Sayers' devotion when Piccolo was stricken with cancer in 1969, became the stuff of legend.

Following his death in 1970, Piccolo's friends in Chicago established the Brian Piccolo Cancer Research Fund, which kicked off with an annual golf tournament. Proceeds were sent to the Sloan-Kettering Cancer Center in New York for research on embryonal cell carcinoma, a cancer that attacks only young men – and took Piccolo's life.

With that victory, Piccolo's friends on the Piccolo Committee redirected their efforts toward a new challenge: breast cancer. In 1994, the Brian Piccolo Endowed Chair for Cancer Research was established at Rush Medical Center in Chicago. The commitment continues in Piccolo's name against a disease that attacks one in every eight American women.

The Brian Piccolo Cancer Research Fund also provides support to the Clearbrook Center for the developmentally disabled in Arlington Heights, Ill.

Championing the Bears efforts to create the Brian Piccolo Award and contribute fund raising for the Brian Piccolo Cancer Research Fund from 1970 until his passing in 2003 was Bears chairman Edward W. McCaskey. A close family friend during Brian's time with the Bears and a dutiful patriarchal figure for the Piccolo girls following Brian's passing, "Big Ed" effectively took the torch from Brian in the fight against cancer and carried it for the rest of his natural life.

In 1989, Piccolo's daughters and their friends established Brian's Run, a family event that was held each year on Father's Day. With the end of the golf tournament in 1996, Brian's Run became the primary fund-raising vehicle of the Brian Piccolo Cancer Research Fund.

Brian's Run X, on June 21, 1998, marked the end of the fund's 28-year history of special events. The fund remains active and welcomes the interest of contributions of others who share its commitment to breast cancer research and to the memory of Brian Piccolo.

MY FATHER & PICCOLO

Chairman George H. McCaskey and 2024 veteran recipient of the Piccolo Award T.J. Edwards

In the history of the Bears, there have been four great middle linebackers: Brian Urlacher, Mike Singletary, Dick Butkus, and Bill George. When Wake Forest was recruiting Bill George, they took him to the Duke campus. After he had arrived as a freshman at the Wake Forest campus, he asked, "What happened to all of those nice buildings that I saw on my recruiting trip?"

The Wake Forest people allegedly said, "This is the freshman campus. Next year you'll be at the nicer campus."

In February of 1966, Bill George called my father and asked him to come down to the driving range that was located at River and Higgins in what was probably Rosemont. Bill owned a driving range with his partners, Mike Ditka and Joe Marconi.

Of course, it was the dead of winter. When my father got there, Bill said, "I want to show you something."

Bill took my father over to a dog run, where there was an Irish setter. Bill said, "This dog was given by a waitress to one of our taxi squad people, Brian Piccolo. The dog was near death when Brian got him. We've been nursing him back. When he gets healthy and happy, I'm going to send him to my mother in Pennsylvania."

Then they went back inside. Bill said, "The reason I've asked you to come down is because I want you to know and nobody else knows: Next season I will not be with the Bears."

My father said, "What are you talking about, Bill? I've heard the old man tell you that you are with him for life."

Bill said, "No. He's chosen a new middle linebacker, Dick Butkus. I've been here a long time, and I'm leaving. What I want you to do is take care of this boy on the taxi squad, Brian Piccolo, because he's something special."

My father said, "Bill, how can I take care of him? I don't work for the Bears."

Bill said, "You'll find a way, and I'm giving him to you. Take care of him."

In 1967, my father agreed to join the Bears. The first day on the job, Brian Piccolo came to my father, and Brian said, "Don't worry, Big Ed, I'll square you away with the players." Brian did, and here we are.

The Ed Block Courage Award Foundation is dedicated to improving the lives of abused, neglected and at-risk children and ending the cycle of abuse. The purpose is to raise Awareness and Prevention of child abuse. That objective is coupled with the Foundation's commitment to celebrating players of inspiration in the NFL.

The award recipient symbolizes professionalism, great strength and dedication. He is also a community role model. With this honor he enters into association which contrasts his fierce profession by becoming a major component of the Courage House national support network. He becomes a crusader for victims of abuse, violence and neglect.

Each year, the Ed Block Courage Awards honors those National Football League players who exemplify commitments to the principles of sportsmanship and courage. This award is unique in that the recipients are selected solely by a vote of their teammates. Every fall, each of the thirty-two teams conduct a vote which

results in each team selecting their Ed Block Courage Award recipient for the year.

The Ed Block Courage Award began in Baltimore in honor of Eddie Block, former head athletic trainer of the Baltimore Colts. Eddie Block and his wife dedicated their lives to helping children in distress as foster parents and advisers. There are 16 Courage Houses presently connected with NFL teams, locally the Maryville Academy in Des Plaines.

Ed McCaskey was the 1992 Honorary National Chairman of the 14th Annual Ed Block Courage Awards. Each offseason Maryville Academy hosts a luncheon to promote awareness for the award and its causes. The proceeds go to the Ed McCaskey scholarship winners at Maryville which has been the Chicago Courage House since 1992.

Since its inception, the Foundation, through its charter with the Courage House National Support Network for Kids, and an affiliation with the National Football League and Professional Football Athletics Trainers Society, has helped to provide hope to countless children and raised millions of dollars.

GEORGE S. HALAS FEBRUARY 2, 1895 – OCTOBER 31, 1983

Leading the Chicago Bears for more than a half-century, George S. Halas, the team's founder and head coach for 40 years, was one of the most enduring personalities in sports history. Halas was active with the Bears starting in 1920 when he founded the team as the Decatur Staleys.

Halas was born and raised on Chicago's west side and prepped at Crane Tech High School before attending the University of Illinois. In Champaign, he earned a B.S. degree while lettering in football, basketball and baseball. After graduation in 1918, Halas joined the Navy for the first of two tours of duty. He was named Player of the Game in the 1919 Rose Bowl, playing end on the Great Lakes team that beat the Marines 17-0. A commander when he left active duty in 1946, Halas retired as a captain in the Naval Reserve. He was also awarded the Distinguished Citizens Award—the highest honor the Navy can bestow on a civilian.

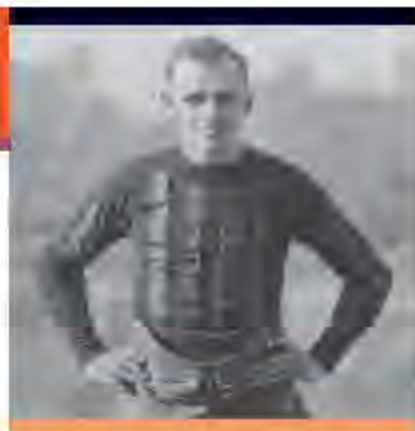

After leaving the Navy, Halas played right field for the New York Yankees, but a hip injury shortened his baseball career. Halas went to work for a Decatur (IL) corn products firm owned by an enthusiastic sports fan, Mr. A.E. Staley, who sponsored a semi-pro baseball team, and later commissioned Halas to organize an independent football team.

PLAYING CAREER: As a player, Halas set an NFL record (which stood 49 years, until 1972) when he took a Jim Thorpe fumble 98 yards for a TD in a 26-0 win over the Oorang Indians at Cubs Park (11/4/23) (re-named Wrigley Field in 1926). He played end for the Bears from 1920-29 and was named to the NFL all-pro squad of the 1920s.

COACHING CAREER: Three times Halas interrupted his coaching activities by his own volition. He first turned over the leadership to Ralph Jones from 1930 through 1932. In 1942 when he left for the Navy, Luke Johnsos and Heartley "Hunk" Anderson shared head coaching responsibilities through '45. John "Paddy" Driscoll coached in 1956-57.

Coincidentally, in '33 and again in '46 when Halas resumed coaching, his Bears won world championships. During the 1940s, his teams reached the height of their power with four straight Western Conference titles; three world championships; a fantastic four-season record (including pre-season games) of 62-7-1 (.899); scored 2,164 points and allowed just 842. The 1940 team, which defeated the Washington Redskins 73-0 for the world championship, was voted the greatest professional team of all-time by the National Academy of Sports Editors in 1963.

Resuming coaching in 1958, Halas needed five years to develop another champion, when in 1963 the Bears won their eighth championship. The Sporting News, APz and UPI named him Coach of the Year after the 1963 and 1965 seasons. Halas retired from coaching on May 27, 1968, with a career record of 324-151-31. His win total was the best in NFL history until Don Shula broke the mark in 1993. Halas is a charter member of the Pro Football Hall of Fame.

GEORGE S. HALAS, JR. SEPTEMBER 4, 1925 – DECEMBER 16, 1979

George S. "Mugs" Halas was an integral part of the Bears before his untimely death in 1979. The son of pro football founder George S. Halas, Mugs spent 30 years in pro football. He joined the Bears' front office in 1950, was named treasurer in 1953, and became president of the club in 1963. He was also the first general manager in team history, serving in that capacity from 1963-74. In his first season as president, the Bears were NFL champions. Mugs was the second of just five presidents in the franchise history. He succeeded his father, George S. Halas, and was followed by Michael McCaskey, Ted Phillips and current team president Kevin Warren. His numerous contributions on a league level included membership on the executive committee of the NFL Management Council.

Mugs learned football at a young age, serving as a ballboy while growing up. He earned a business degree from Loyola in 1949, before entering pro football on a full-time basis. Mugs is remembered for his love and devotion to the game.

EDWARD W. MCCASKEY APRIL 27, 1919 – APRIL 8, 2003

Edward (Ed) W. McCaskey served as an executive with the Bears for 36 years, serving as Chairman Emeritus of the club from 1999 until his death in 2003. He was the team's second Chairman of the Board, succeeding team founder George Halas in 1983 following 17 years as the team's Vice President and Treasurer. McCaskey married Halas' only daughter, Virginia, in 1943 and joined the team at Halas' request in 1967.

McCaskey was a popular figure within the NFL and was referred to by many as the conscience of the League, as well as a sounding board for many of its leaders. He contributed to numerous charitable and civic organizations on behalf of the Bears and served as the guiding force behind the Brian Piccolo Fund.

MICHAEL B. MCCASKEY

DECEMBER 11, 1943 – MAY 16, 2020

Michael B. McCaskey joined the family business in 1983, when he succeeded his grandfather, George S. Halas, as President & CEO and held that position until 1999 when he became the team's chairman. Under McCaskey's leadership, the Bears had eight playoff seasons, claimed six NFC Central division titles and were crowned Super Bowl XX Champions. Following the 1985 Super Bowl championship, his peers voted him NFL Executive of the Year. Michael also served as Chairman of the Board of the Bears from 1999-2011. In the spring of 1997, under Michael's guidance, the Bears moved from the original Halas Hall on the campus of Lake Forest College to a new state-of-the-art home and where the team still resides today.

Michael also was a co-founder of the team's charitable arm Bears Care in 2005, which has since granted nearly \$25 million to over 100 agencies throughout the Chicagoland community through targeted programs supporting education, youth athletics, medical research and health awareness programs focusing on breast and ovarian cancer.

**1920s**

- 9/17/20** – George Halas, representing the Decatur Staleys, meets with representatives of 11 other clubs at Ralph Hay's Hupmobile showroom in Canton, Ohio, forming the American Professional Football Association – which later became the NFL. Membership is set at \$100.

A young boy with dark hair and a bright smile is the central focus. He is wearing a yellow and blue patterned shirt with red trim. He is holding a small, fluffy, brown and white bird in his hands. The background is a soft-focus outdoor setting with green grass, trees, and a red building in the distance. A blue banner at the top contains white text.

It's always been
easier for me to
help others

than to
help myself

As a Veteran, when someone raises their hand for help, you're often one of the first ones to respond. But it's also okay to get help for yourself. Maybe you want or need assistance with employment, stress, finances, mental health or finding the right resources. No matter what it is, you earned it. And there's no better time than right now to ask for it. **Don't wait. Reach out.**

Former Bears President and CEO Ted Phillips led the franchise to one of the team's greatest off-field achievements with the construction of the Lakefront Improvement Plan which included the new football stadium within the confines of historic Soldier Field. The Bears are entering their 21st season in the new stadium, playing the inaugural campaign in 2003. The aggressive construction schedule lasted just 20 months—from the Bears last home game of the 2001 season (vs. PHI, Jan. 19, 2002) until re-opening against Green Bay on Sept. 29, 2003. The project earned many honors for design excellence and was named Midwest Construction magazine's overall Project of the Year in 2003.

- November, 2000 - Former Bears President and CEO Ted Phillips and his team of experts answer questions and concerns of the Illinois General Assembly at the State Capitol. After three days of gathering support, the Illinois House and Senate passed Bill 1284 on Nov. 30, 2000, authorizing the Illinois Sports Facilities Authority to issue approximately \$406 million in bonds to help finance the \$630 million project. The debt service on the bonds were paid from the surplus and projected growth of the existing two percent Chicago local hotel tax plus a local distributive tax and state hotel tax subsidy. The remaining \$200 million was contributed by the Chicago Bears, including a \$100 million loan from the National Football League.

- **Nov. 15, 2000** - The City of Chicago's Lakefront Improvement Plan was announced publicly by Mayor Richard M. Daley. The project replaced parking lots with 17 acres of new parkland, built an underground parking structure to serve the Museum Campus and Soldier Field, created easier access to the Museum Campus and added other amenities giving Chicagoans and tourists the ability to enjoy the lakefront year-round.

- **Jan. 5, 2001** - Governor George Ryan signed House Bill 1284, designed to help fund a new stadium and enhance Chicago's lakefront.

The following are a number of facts concerning different elements of the Soldier Field project and the Lakefront Initiative:

LAKEFRONT IMPROVEMENTS

The project created approximately 17 acres of additional waterfront parkland for public enjoyment. This green space was programmed for year-round public uses such as a sledding hill, winter garden, a terraced park, an area for outdoor museum exhibits and other features.

The year-round parking facility created 2,500 new underground parking spaces immediately adjacent to the Field Museum and Shedd Aquarium and 3,100 outdoor spaces between the stadium and McCormick Place to ensure Chicago's great tailgating tradition continues.

SOLDIER FIELD IMPROVEMENTS

The stadium features increased sideline seating from 40% of seats to over 60%, an increased number of new and improved restrooms (over 1,000 restroom fixtures) plus more variety and access at over 350 concession points of sale, three-level United Club lounge, a Bears Ring of Honor throughout the mezzanine level, a Bears Den gallery depicting historical events from Soldier Field's past and a bas-relief of George Halas.

Above and beyond the Bears games, Soldier Field is capable of hosting an increasing number of athletic events, prime concerts, and large civic, cultural and educational gatherings. The unique design allows for easy stage setup and takedown, along with a field that can accommodate international soccer events.

FUNDING THE LAKEFRONT IMPROVEMENT PLAN

The Bears made a \$224 million contribution to this project, pay annual rent of \$5.7 million and accepted the cost overrun risks on the project. The entire cost of the Lakefront Project (\$630 million) was raised without asking for taxpayers' money. The plan was supported through a local City of Chicago hotel tax. There was no extension or increase of any taxes and the hotel tax was principally paid by visitors and tourists.

PRESERVING HISTORY

The historic colonnades and historic South Wall remained untouched as the new stadium was built within the existing exterior of Soldier Field. The Memorial Water Wall honors all soldiers who have served in the United States Armed Forces. The Wall serves as an educational piece for families and visitors of the museum campus. A Doughboy statue was erected at the entrance of Gate O and the south concourse features a Medal of Honor tribute.

Following 31 seasons of football along the shores of Lake Michigan (pictured, left), the Bears took a brief one-year hiatus from Soldier Field in 2002, playing home games at Memorial Stadium in Champaign so construction of the new Soldier Field (right) could be completed. The first game in the new stadium was Sept. 29, 2003 against division rival Green Bay. The Bears first season at the old venue was in 1971 after spending 50 seasons at Wrigley Field. Soldier Field was opened in 1924 as a 45,000-seat Municipal Grant Park Stadium. The first football game played on its field was November 22, 1924, as a capacity crowd watched Notre Dame edge Northwestern, 13-6.

It hosted the first boxing event which drew a gate of over \$2.5 million (Dempsey-Tunney, 1927), the first ski meet held in a stadium, and the all-time largest football crowd (123,000). The largest crowd for any event in Soldier Field was 260,000 on Sept. 8, 1954, for the Catholic Church's Marian Year Tribute.

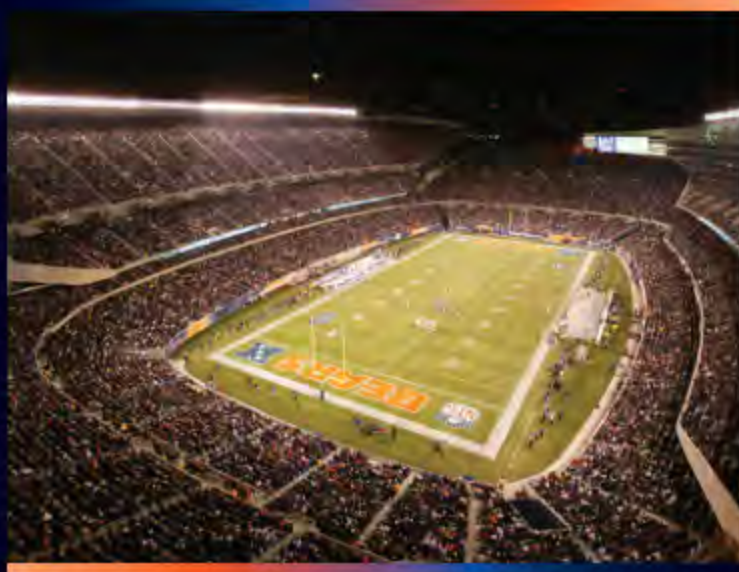

The 100,000-seat stadium was dedicated November 27, 1926, with Army battling Navy to a 21-21 tie. The all-time collegiate attendance record of 123,000-plus was established Nov. 26, 1927 as Notre Dame beat Southern Cal 7-6. In the first professional game at the then-mammoth stadium, the Bears defeated the Chicago Cardinals 10-0 on November 11, 1926. Plans for the stadium started in 1919 as a memorial to the soldiers of WWI. Soldier Field stood on 10,000 pile foundations driving an average depth of 62.5 feet through fill that replaced the lake waters. The stadium continues to be owned, maintained and operated by the Chicago Park District.

Other stadium notes since the Bears moved to Soldier Field:

1971 – September 19, Chicago defeats the Pittsburgh Steelers 17-15 before capacity crowd of 55,701 in the Bears' first game since moving from Wrigley.

1979 – The stadium undergoes major reconstruction and renovation prior to the season including new lighting, playing surface, and locker rooms; rebuilding of seating area (new chairbacks, armrests, seats); and improvement of sightlines.

1982 – Additional rebuilding of seating areas was completed as well as new concourses with more restrooms and concession areas. A new press box, 60 deluxe skyboxes, and a new scoreboard were also built. Capacity is increased to 66,030.

1988 – Surface was changed from artificial turf to natural grass, and 56 skyboxes were added along south rim (increasing the total to 116). Capacity is increased to 66,946.

1992 – Four seats are added increasing the capacity to 66,950.

1994 – The Park District spends millions to refurbish the stadium for the World Cup soccer tournament. Capacity is reduced by six to 66,944.

2000 – Mayor Daley announces Lakefront Redevelopment Project (11/15).

2001 – Project receives state and city approval.

2002 – Demolition begins on stadium immediately following playoff game (1/19).

2003 – Bears return to Soldier Field with Monday night re-opening on September 29 against Green Bay. Capacity is set at 61,500, over 5,000 fewer seats than the old stadium and the second smallest venue in the NFL.

Located on the west side of the stadium on the street-level main concourse, the bas-relief sculpture marks the gateway for a stadium visitor's trip through the history of the Chicago Bears.

Pure and simple, he loved this game that was as uncluttered and uncompromising as he was. Its requirements were courage, endurance, self-discipline and a competitive spirit. These were his prerequisites, too.

His teams played the game the same way he did-tough, aggressive and smart.

Often graced by a running back of exceptional ability, the Bears were always marked by a punishing defense that never stopped coming at you.

George Halas was a founder of the NFL and a pioneer of the Chicago Bears. His devotion to both over the decades helped them grow to prominence.

We will always remember his energy, his joy in competing, and his passion for his beloved Bears and Bear fans.

-bas-relief inscription

The bas-relief is a time-line describing George Halas' contribution to the world of football and the history of the Chicago Bears.

Hall of Famers date back from the 1920's when George Halas founded the Chicago Bears, and represent different decades of team history.

The tremendous energy and influence of the two large George Halas reliefs tells the story and balances all of the action. George S. Halas is without doubt the overriding presence in the sculpture.

The laser-etched imagery shows the team in the 1920's - also Halas and his team celebrating a 1940's win against the Washington Redskins, fan images from Wrigley Field, a photo of Halas with George Jr. and Paddy Driscoll, and a fan grouping from the 1980's. Integrated in the composition is the famous "T" formation that George Halas invented.
